

SPONSORSHIP OPPORTUNITIES

About Connect-It 360

- Nonprofit 501(c)(3) organization focused on bridging the skill gap between education and the business world
- Creator and facilitator of the award-winning "Next Gen Tech 360" program, providing students renowned business mentorship and startup experience
- Preparing our youth with essential skills to be successful in their career
- Developing the next generation of leaders & tech stars

Why Sponsor?

- Ability to influence and develop future talent
- Fulfill community social responsibility commitments, including diversity and inclusion
- Access to a growing pipeline of skilled top talent
- Insight to the needs of future products and services, allowing business to be competitive in the changing economy

"This program nails teaching these kids the skills that are deficient in young adults entering into the workforce today. We are thrilled to be a part of this program where we can have an impact in helping kids develop these skills and potentially become a future employee."

Sponsor & Mentor - Raymond James

creators and leaders*

BRIDGING THE SKILL GAP BETWEEN EDUCATION AND THE BUSINESS WORLD

An initiative by Connect-IT 360, Next Gen Tech 360 is a technology startup program fostering innovation and enabling high school students to develop the skills to succeed in the fast-paced world of tech.

NGT 360 MENTORS HELP STUDENTS

-  Achieve real-world experience and skill development
-  Build a foundation of six core technology principles
-  Focus on customer value and experience

NGT 360 IMPACTS STUDENTS BY:

- Introduction to a vast business network and career opportunities
- Developing critical thinking and problem-solving skills needed to build tech solutions
- Focusing on solutions to real-world problems
- Taking an idea to a Minimal Viable Product (MVP)

*"NGT 360 has totally exceeded our expectations!!!
The mentors are incredible!!! The Support of the
business community and the doors it has opened
for us is amazing!!!"*

NGT 1st place winner 2018-19
